This series contains the newsletter, *Staff Stuff News*, of the Staff Assembly. The Staff Assembly was established at Winthrop in 2014 as an advisory group that provides staff with a forum for communication and community and provides a voice in matters of importance and concern to staff. The group offers opportunities for staff to support one another, participate as a group in community outreach and engagement, and make recommendations to the University's President and the Administration in support of staff needs and the University's mission. The records are arranged in chronological order.
